FIRST SUPPLEMENTAL ORDER

By Decision No. 51350, dated April 19, 1955, the Commission authorized Mojave Valley Utility, a corporation, to issue and sell \$37,500 par value of its common stock for the purpose of financing the cost of water system facilities. The authorization granted by the Commission will expire one year after the effective date of the order.

In a petition filed on February 29 of this year, the corporation reports that it has not yet disposed of all the shares which were authorized but that it desires to continue with the sale in the future. It has requested a supplemental order extending the time within which it might do so.

The Commission has considered this matter and is of the opinion applicant's request should be granted; therefore,

IT IS HEREBY ORDERED that the time within which Mojave Valley Utility may issue and sell the stock authorized

by Decision No. 51350, dated April 19, 1955, be, and it hereby is, extended to and including April 30, 1957.

This order is effective on the date hereof.
