Application No. 37871

O R D E R

Southern Pacific Company is authorized to construct a spur track at grade across Sutter Avenue, in the City of Los Angeles, Los Angeles County, at the location described in the application, to be identified as Crossing No. B-463.2-C. Applicant shall bear the entire construction and maintenance expense. Construction shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation, and of a width to conform to the portion of the street now graded, with tops of rails flush with roadway and with grades of approach not exceeding three per cent. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B).

Within thirty days after completion pursuant to this order applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant declares that the industry to be served has stated that its facility is now in operation, with track service urgently required. For this reason the effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 24<sup>th</sup> day of April, 1956.
