O R D E R

The Western Pacific Railroad Company is authorized to install at Crossing No. 4-6.6, Third and Broadway, in the City of Oakland, Alameda County, the following:

- (1) Two cantilever type flashing light signals with additional flashing lights mounted on the supporting masts. All flashing lights shall indicate in both directions along Broadway.
- (2) An automatic crossing gate regulating westward traffic on Third Street, protecting passengers at the railroad station
- (3) Vehicular traffic signals at the intersection of Third Street and Broadway to be pre-empted by train movements at Crossing No. 4-6.6 and operate in conjunction with the cantilever type flashing light signals.

The above mentioned crossing protection may be installed in lieu of and in substitution for two Standard No. 1 crossing signs, a crossing watchman on duty daily from 7 a.m. to 6 p.m.,

vehicular boulevard stop signs regulating vehicular traffic on Broadway, and two cantilever type flashing red lights regulating vehicular traffic on Broadway. Construction and maintenance expense shall be borne in accordance with an agreement to be entered into between the parties relative thereto. Clearances shall conform to the provisions of General Order No. 26-D.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require. The effective date of this order shall be twenty days after the date hereof.

Dated at Los Angeles, California, this 15th day of May, 1956.
