Decision No. 53099

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application  
of REPUBLIC VAN AND STORAGE CO.,  
INC. for a permit to sell and  
issue its preferred shares.

Application  
No. 37272  
(Petition for  
Extension of Time)

FIRST SUPPLEMENTAL ORDER

By Decision No. 52075, dated October 18, 1955, the Commission authorized Republic Van and Storage Co., Inc., to issue and sell 1,000 shares of its \$100 par value preferred stock for the purpose of providing additional working capital. The time within which such stock might be issued and sold expired on March 31, 1956.

The company reports that it had issued and sold 940 shares before the authority had expired. It reports it had not issued and sold the remaining 60 shares prior to the expiration date through an oversight and it desires a short extension of time to permit it to do so.

The Commission has considered this petition for extension of time and is of the opinion that it should be granted, therefore,

IT IS HEREBY ORDERED as follows:

1. The time within which Republic Van and Storage Co., Inc., may issue and sell the stock authorized by Decision No. 52075, dated October 18, 1955, shall be, and it hereby is, extended to and including June 30, 1956.

2. The authority herein granted will become effective on the date hereof.

Dated at San Francisco, California, this 22<sup>nd</sup> day of May, 1956.
