

ORIGINAL

Decision No. 53147

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation into)
the rates, rules, regulations, charges,)
allowances and practices of all common)
carriers, highway carriers and city car-)
riers relating to the transportation of)
sand, rock, gravel and related items)
(commodities for which rates are pro-)
vided in Minimum Rate Tariff No. 7).)

Case 5437
(Petitions Nos.
22 and 23)

SUPPLEMENTAL OPINION AND ORDER

Minimum rates for the transportation of sand, rock, gravel, and related items in dump truck equipment within Los Angeles county are set forth in Minimum Rate Tariff No. 7. Zone rates are provided for movements between designated production areas and delivery zones. Mileage rates and hourly rates apply between points not covered by zone rates. The mileage and hourly rates are generally higher than the zone rates.

By Petitions for Modification Nos. 22 and 23 in this proceeding, California Dump Truck Owners Association, Inc., seeks extension of the zone rate system to cover deliveries from two recently established production facilities.

Petitioner represents that considerable quantities of material will be produced at these plants, much of which will be transported by for-hire dump trucks. The Commission staff has conducted a study of the transportation and recommends that the zone rate system be extended as proposed.

Interested parties have been notified of the filing of the petitions. No objection to their being granted has been received.

Upon consideration the Commission concludes and finds as a fact that the zone rates hereinafter provided are reasonable and suitable minimum rates for the transportation in question. The petitions will be granted. At the same time, the tariff will be amended to correct an error made on Second Revised Page 39, issued as a part of Decision No. 52952 of April 24, 1956, in this proceeding. A public hearing is not necessary.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Minimum Rate Tariff No. 7 (Appendix "A" of Decision No. 32566 as amended) be and it is hereby further amended by incorporating therein, to become effective July 1, 1956, the revised pages attached hereto and listed in Appendix "A" also attached hereto, which pages and appendix by this reference are made a part hereof.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 28th day of May, 1956.

President
Justin F. Casman

Rand L. Kerner

Wm. J. Dool

San Francisco, California.
Correction No. 512

SECTION NO. 4

HOURLY RATES

*Rates in this Section for transportation within Southern Territory will apply only when notice in writing is given to the carrier, before the transportation commences, of the shippers' intention to ship under such rates. When such notice is given, rates in Sections Nos. 2 and 3 will not apply.

Rates in this Section will apply in Northern Territory for all transportation for which rates in Section No. 3 are not applicable, except that when notice is given to the carrier, before the transportation commences, of the shippers' intention to ship under the rates in Section No. 2, the rates in this Section will not become applicable for the transportation for which the rates in Section No. 2 are applicable in Northern Territory.

* Change, Decision No. 53147

EFFECTIVE JULY 1, 1956

Issued by the Public Utilities Commission of the State of California,
San Francisco, California.

Correction No. 513
