Application No. 37801

O R D E R

The State of California, Department of Public Works, is authorized to widen and reconstruct State Route IV-Mrn-1-A (U.S. 101) at separated grades over the track of the Northwestern Pacific Railroad Company, near San Rafael, Marin County, at the location described in the application, identified as Crossing No. 5-19.6-A. Construction and maintenance expense shall be borne in accordance with an agreement to be entered into between the parties relative thereto, and copy of said agreement, together with plans of said crossing approved by the Northwestern Pacific Railroad Company, shall be filed with the Commission within one hundred and eighty days from the date hereof. Should the parties fail to agree, the Commission will apportion the cost of construction and maintenance by further order. Clearances shall conform to the provisions of General Order No. 26-D.

Within thirty days after completion pursuant to this order applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within two years unless time be extended or if conditions are not complied with. The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 4th day of June, 1956.
