OPINION AND ORDER

Applicant holds highway contract carrier and city carrier permits. By Decision No. 51344, dated April 19, 1955, in Application No. 36834, he was authorized to handle C.O.D. (collect on delivery) shipments for Meagher Bros. and Pioneer Appliance Co. without securing and filing a bond with the Commission as required by General Order No. 84C. This authority expired May 9, 1956. Applicant again seeks relief from the bonding requirement. The shippers involved have voluntarily waived the protection afforded by the C.O.D. bond requirements.

It appears that this is a matter in which a public hearing is not necessary and that an extension of relief from the bond filing requirements is justified. Because the conditions under which the C.O.D. service in question is performed may change, the exemption will be limited to a one-year period and made subject to such earlier cancellation, change or extension as circumstances may require. As applicant's previous exemption has expired, the order herein will be made effective on the date hereof.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Charles G. Rosenbrock, dba Rosenbrock Drayage, be and he is hereby authorized to handle C.O.D. shipments for Meagher Bros. and Pioneer Appliance Co. without providing and filing the bond required by General Order No. 84C; that this authority shall expire one year after the effective date of this order, unless sooner canceled, changed or extended by order of the Commission; and that in all other respects the rules and regulations set forth in General Order No. 84C shall govern the C.O.D. services involved in this proceeding.

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 12th day of June, 1956.
