A. 38054-HH

Decision No. _____53291_____

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)
PACIFIC ELECTRIC RAILWAY COMPANY to)
extend pickup and delivery limits) Application No. 38054
at Covina, California, and to amend)
tariff authority.)

OPINION AND ORDER

Applicant seeks authority to enlarge its pickup and
delivery zone at Covina and to apply the Covina rates to the
enlarged territory.

The application shows that the area proposed to be added
to the present zone is contiguous to and a part of the community and
that this area is situated within three miles of the corporate limits.
It shows also that the applicant has been requested to provide the
additional pickup and delivery service involved. Under the proposed
arrangements, all similarly situated areas contiguous to Covina
where there is a demand for applicant's pickup and delivery service
would be afforded service at the Covina rates. Because of the
relatively short distances involved, the resulting deviations from
the established minimum rates would be slight.

Competing carriers have been notified of the filing of the
application. No objection has been received.

It appears that this is a matter in which a public hearing
is not necessary and that the granting of the sought authority is
justified.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that applicant be and it is hereby
authorized to enlarge its pickup and delivery zone at Covina as

-1-

requested and to establish for the transportation involved, not earlier than five days after the effective date of this order and on not less than five days' notice to the Commission and the public, rates no lower than those prescribed for like transportation to and from Covina.

IT IS HEREBY FURTHER ORDERED that the authority herein granted shall expire unless exercised within sixty days after the effective date of this order.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this ___ day of June, 1956.
