ORDER OF REVOCATION

By Decision No. 43478, dated November 1, 1949, in Application No. 30664, Julius Petersen was authorized to and did acquire from Paul Ludolph Company, a corporation, a highway common carrier certificate granted to the latter by Decision No. 29770 in Application No. 21168. This certificate authorized the transportation of milk, cream and dairy products between San Francisco Bay points and points in the westerly portions of Sonoma and Mendocino Counties extending as far as Point Arena.

The Commission's Transportation Division reports that all public liability and property damage insurance covering Julius Petersen expired January 1, 1955, and has not been renewed. It is further reported that said Julius Petersen requested suspension of all his highway carrier permits as he had disposed of all his trucks.

By letter dated February 25, 1956, said Petersen asserted in substance that he planned to re-establish common carrier operations within thirty days and failure to do so should be construed as abandonment of the operation.

In the light of the foregoing circumstances and the fact that no evidence of renewal of adequate insurance protection against public liability and property damage has been filed with the Commission by or on behalf of said Julius Petersen as required by the Commission's General Order No. 100, we find that said Julius Petersen has discontinued and abandoned the highway common carrier operation, as described above, without first obtaining appropriate authority therefor.

Good cause appearing,

IT IS ORDERED that the certificate of public convenience and necessity created by Decision No. 29770 in Application No. 21168 and acquired by Julius Petersen under authority of Decision No. 43478 in Application No. 30664 is hereby revoked and all effective tariffs on file with the Commission in the name of Julius Petersen are hereby canceled.

The Secretary of the Commission is hereby directed to cause a certified copy hereof to be served upon Julius Petersen in the manner prescribed by law.

The effective date of this order shall be the twentieth day after lawful service thereof upon Julius Petersen unless said Julius Petersen before such effective date shall have filed with the Commission a written response to this order, denying the facts set forth herein and requesting a public hearing thereon,

in which event the effective date of this order will thereby be stayed until a hearing is held and a further order is issued.

Dated at San Francisco, California, this 13th day of July, 1956.
