State of California.)

Application No. 38290

O R D E R

Southern Pacific Company is authorized to construct a spur track at grade across Corning Road near Richfield, Tehama County, at the location described in the application, to be identified as Crossing No. AE-180.6-C. Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the road now graded, with tops of rails flush with the roadway and with grades of approach not exceeding two percent. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B), reflectorized with reflex-reflecting sheet material. Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant alleges operations of industry to be served by this spur track are being delayed and has requested immediate authorization.

Therefore, the effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 21st day of August, 1956.
