Application No. 34192
(Petition For Modification)

FOURTH SUPPLEMENTAL OPINION AND ORDER

Prior orders in this proceeding have authorized applicant to deviate from the established minimum rates, under Sections 3666 and 4015 of the Public Utilities Code. The authority is limited to the transportation of merchandise and store supplies under contract for The Great Atlantic & Pacific Tea Company from that company's Los Angeles warehouse located at 4527 Loma Vista Avenue to its retail stores in southern California. By this petition applicant seeks amendment of the authority so that it will apply to shipments from the shipper's new warehouse located at 4510 South Boyle Avenue, Los Angeles.

The petition states that the shipper has moved its warehouse to the new location which is approximately three blocks distant from the old warehouse location.

In the circumstances it appears that the sought amendment of the authority should be granted. In view of the fact that the warehouse location has already changed, the order will be made effective on the date hereof. A public hearing is not necessary.

Therefore, good cause appearing,

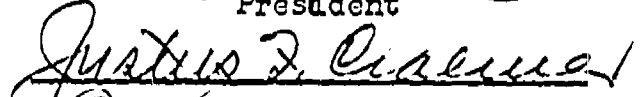

IT IS HEREBY ORDERED that Decision No. 48863 of July 23, 1953, as amended, in this proceeding, be and it is hereby further amended by substituting "4510 South Boyle Avenue" for "4527 Loma Vista Avenue" in Section I of Appendix "A" thereof.

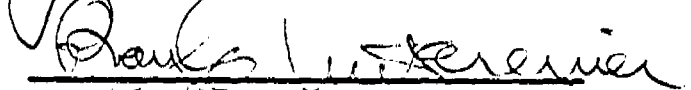

In all other respects said Decision No. 48863, as amended, shall remain in full force and effect.

This order shall become effective on the date hereof.

Dated at Los Angeles, California, this 29th day of August, 1956.
