

Decision No. 54106**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of JOHN W. CLAYTON)
 (doing business as Santa Ana-)
 Garden Grove Bus Lines) for) Application No. 38301
 authority to change route.)

George E. Bradley for applicant.O P I N I O N

The Santa Ana-Garden Grove Bus Lines presently conducts operations as a passenger stage corporation, under authority granted by this Commission, between Fourth and Main Streets in the City of Santa Ana, on the one hand, through the town of Garden Grove to the intersection of West Seventeenth Street and Huntington Beach Boulevard, on the other hand, under certificates of public convenience and necessity issued by this Commission in Decision No. 44162, dated May 9, 1950; on Application No. 30444, and Decision No. 46832, dated March 11, 1952, on Application No. 32992.

By this application authority is requested to change the route of its outgoing trips within the City of Santa Ana.

A public hearing was held before Examiner Grant E. Syphers in Santa Ana on October 5, 1956, at which time evidence was adduced and the matter submitted.

The testimony disclosed that early in 1956 the City of Santa Ana passed an ordinance setting up various one-way streets. As a result of this ordinance it is now possible for applicant to operate only in an easterly direction on Fifth Street between Flower and Main Streets. The instant proposal, therefore, is that on its westerly trips applicant conduct its operations on Fourth Street.

No opposition to this change in routing was presented at the hearing. Upon this record we find that the proposal is not adverse to the public interest, and, accordingly, will be granted.

O R D E R

A public hearing having been held, the Commission being fully advised in the premises and finding that public convenience and necessity so require,

IT IS ORDERED that John W. Clayton, doing business as Santa Ana-Garden Grove Bus Lines, be and he hereby is authorized to change the route of his passenger stage operations in the City of Santa Ana as follows:

Starting at the corner of Fourth and Main Streets, thence west on Fourth Street to Flower Street; thence north

on Flower Street to Fifth Street, thence
west on Fifth Street along regular route.

The effective date of this order shall be twenty days
after the date hereof.

Dated at San Francisco, California,
this 19th day of NOVEMBER, 1956.

John E. Mitchell
