THIRD SUPPLEMENTAL OPINION AND ORDER

Applicant holds a city carrier permit. Prior orders in this proceeding have authorized him, under Section 4015 of the Public Utilities Code, to charge less than the established minimum rates for the transportation of flour for Monarch Flour Company and nine other flour companies within the City and County of San Francisco.¹ The authority is scheduled to expire December 20, 1956. By this supplemental application, as amended, permission is sought to continue to charge less than the minimum rates.

The supplemental application, as amended, states that, except for increased labor costs, the conditions which justified deviation from the minimum rates still obtain and that improvement in operating conditions has offset the increased wage costs. A statement attached to the application, as amended, shows that operations under the authorized rates have been profitable and may reasonably be expected to continue to be profitable.

1

The other companies are: Fischer Flour Mills, Centennial Flour Mills, Cook Flour Company, Coast-Dakota Flour Company, General Mills, Terminal Flour Mills, Northwest Flour Mills, Blue and Gold Sales Service and Pillsbury Mills.

In the circumstances, it appears, and the Commission finds, that the proposed rates are reasonable and consistent with the public interest. This is a matter in which a public hearing is not necessary. The supplemental application, as amended, will be granted. However, as the conditions surrounding the transportation may change, the extension will be limited to one year, unless sooner canceled, changed or extended by order of the Commission.

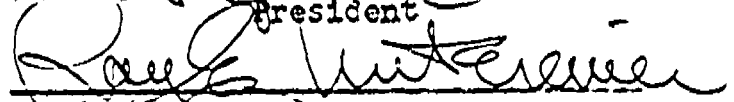

Therefore, good cause appearing,

IT IS HEREBY ORDERED that the expiration date of the authority granted to Bruno Malucchi, doing business as A. M. Devincenzi Company, by Decision No. 50786 of November 23, 1954, as amended in this proceeding, be and it is hereby extended to December 20, 1957, unless sooner changed or further extended by order of the Commission.

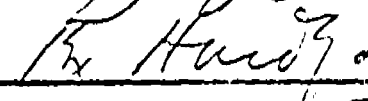

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 27th day of November, 1956.
