In the Matter of the Investigation into the rates, rules, regulations, charges, allowances and practices of all common carriers, highway carriers and city carriers relating to the transportation of general commodities (commodities for which rates are provided in Minimum Rate Tariff No. 2).

Case No. 5432

SUPPLEMENTAL OPINION AND ORDER

Minimum Rate Tariff No. 2 names minimum rates, rules and regulations for the transportation of general commodities. The tariff is governed by Western Classification No. 75, Cal. P.U.C.-W.C. No. 8 of G. H. Dumas, Agent. This classification has now been superseded by Western Classification No. 76. No changes in the rules or in the ratings are involved. However, the rating items have been renumbered, making it necessary to revise various references in Minimum Rate Tariff No. 2 to classification provisions to correspond with the numbering in the new classification. The necessary tariff changes will be made. A public hearing is not necessary.

Therefore, good cause appearing,

IT IS HEREBY ORDERED:

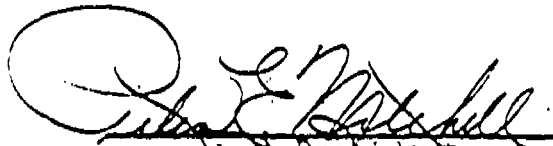

(1) That Minimum Rate Tariff No. 2 (Appendix "D" of Decision No. 31606, as amended) be and it hereby is further amended by incorporating therein to become effective January 1, 1957, Eighth Revised Page 12 Cancels Seventh Revised Page 12, First Revised Page 21-B Cancels Original Page 21-B, and Sixth Revised Page 38 Cancels Fifth Revised Page 38, which pages are attached hereto and by this reference made a part hereof.

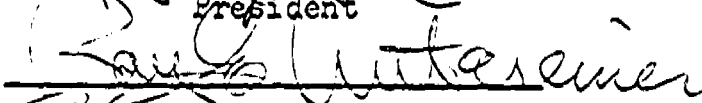

(2) That tariff publications authorized to be made by common carriers as a result of the order herein may be made effective on not less than five days' notice to the Commission and to the public if filed not later than sixty days after the effective date of the tariff changes herein involved.

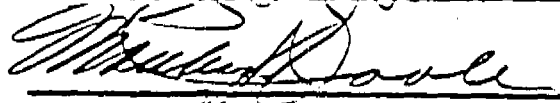

(3) That in all other respects the aforesaid Decision No. 31606, as amended, shall remain in full force and effect.

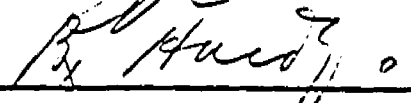

This order shall become effective twenty days after the date hereof.

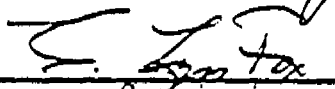

Dated at Los Angeles, California, this 4th day of December, 1956.
