Delivery Service, for exemption from ) Application No. 38600  
the provisions of General Order 84-C )  
regarding C.O.D. Bond. )

OPINION AND ORDER

Applicant holds radial highway common carrier, highway contract carrier and city carrier permits. By Decision No. 52157 of November 1, 1955, in Application No. 37383, applicant was authorized to handle C.O.D. (Collect on Delivery) shipments for Montgomery Ward & Co. without securing and filing a bond with the Commission as required by General Order No. 84-C. This authority has expired. Applicant again seeks relief from the bonding requirements. The shipper involved has again voluntarily waived the protection afforded by the C.O.D. bond.

It appears that this is a matter in which a public hearing is not necessary and that the sought relief from the bond filing requirements is justified. Because the conditions under which the C.O.D. service in question is performed may change at any time, the exemption will be limited to a one-year period, subject to such further change as circumstances may require. In view of the expiration of the previous exemption, the order herein will be made effective immediately.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that H. L. Anderson be and he is hereby authorized to handle C.O.D. shipments for Montgomery Ward & Co. without providing and filing the bond required by General Order No. 84-C; that this authority shall expire one year after the

This order shall become effective on the date hereof.

Dated at San Francisco, California, this 11<sup>th</sup> day of December, 1956.
