Decision No. _____

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
WALTER DEL CARLO, doing business as
DEL CARLO TRUCKING LINES, for a cer-
tificate of public convenience and
necessity to operate as a highway
common carrier between San Francisco
Territory, Los Angeles Territory,
Sacramento, Stockton and intermediate
points.

Application No. 35554

Marquam C. George, for applicant.
Frederick W. Mielke, for Delta Lines, Inc.,
California Motor Express, Ltd., California
Motor Transport Co., Ltd., Valley Motor
Lines, Inc., and Valley Express Co.;
Marvin Handler, for Peninsula Motor Express,
Doudell Trucking Co. and Burns Drayage;
protestants.
Sidney J. Webb, for the Commission's staff.

O P I N I O N

Walter Del Carlo was, and San Leandro Freight Lines is,
a highway carrier engaged in the transportation of property in
California pursuant to permits issued to Walter Del Carlo by this
Commission and transferred by him to San Leandro Freight Lines.

San Leandro Freight Lines now seeks an order authorizing
it to conduct service as a highway common carrier for the trans-
portation of general commodities as successor to Walter Del Carlo
between various points in California.

Notice of filing of the application was given all common
carriers subject to the jurisdiction of this Commission.

A public hearing was held on November 21, 1956 before
Examiner John Power at San Francisco. Protestants assisted in

developing the record by cross-examination. From the pleadings and the evidence adduced at the hearing it appears that San Leandro Freight Lines is not one of the type entitled to a certificate under Decision No. 50448, in Case No. 5478.

O R D E R

The Commission having considered the application and representations filed herein, Now Therefore

IT IS ORDERED that Application No. 35554 is denied.

The effective date of this order shall be ninety days after the date hereof.

Dated at San Francisco, California, this 27
day of DECEMBER, 1956.
