of ARTHUR R. KERSTETTER for a)

O P I N I O N

By Decision No. 52665 the Commission granted to Arthur R. Kerstetter a license to engage in business as a motor transportation broker at Fresno, California. Inasmuch as that license will expire on December 31, 1956, he asks the Commission to issue a new license to him for the year 1957.

Applicant would continue to arrange for transportation of general commodities intrastate within California. He plans to serve the same carriers used during the year 1956, however, an analysis of these carriers shows that the permit of Olive M. Wingo, doing business as Wingo Trucking, has been suspended because of a lease arrangement with another carrier. Therefore, his name will be withheld from the list of carriers which applicant may serve.

After full consideration of all the evidence in this proceeding we find no reason to withhold issuance of the new license sought by applicant. A surety bond in the continuous form required by law is on file with the Commission. No public hearing appears to be necessary and the application will be granted.

O R D E R

Application as above entitled having been filed and based upon the conclusions expressed in the foregoing opinion,

IT IS ORDERED:
