

**ORIGINAL**Decision No. 54338

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of ) JAMES R. HUGHES for the Renewal of ) License as a Motor Transportation ) Broker. )	Application No. 38671
---	-----------------------

O P I N I O N

In the above-entitled application James R. Hughes requests that his motor transportation broker's license be renewed for the year 1957. Applicant has been licensed as a motor transportation broker since November 13, 1956. His license for the year 1956 was granted pursuant to the Commission's Decision No. 54076 in Application No. 38293.

Applicant asserts that he will continue his brokerage business at 578 Ridge Road, Redding, California.

The application contains a list of the names of 14 carriers for whom applicant desires to act as a broker. Six of these are new carriers from whom applicant has received letters of authority to sell transportation, which letters are attached to the application. Letters of authority from the other carriers are attached to former applications on file with the Commission. All of the carriers listed in the application have effective permits as of this date.

After full consideration of all of the evidence in the proceeding, we find no reason to withhold issuance of a new license sought by applicant for the year 1957. Applicant has on file with the Commission a bond required by the provisions of Section 4838 of the Public Utilities Code, which is continuous in form. No public hearing appears to be necessary and the application will be granted.

O R D E R

An application therefor having been filed, the Commission being fully informed therein and good cause appearing,
