Case No. 5432

SUPPLEMENTAL OPINION AND ORDER

Decision No. 52199 of November 7, 1955, as amended, in this proceeding, established a current list of carriers exempted in whole or in part from observing the rates, rules and regulations contained in Minimum Rate Tariff No. 2. Subsequently, it has been brought to the Commission's attention that certain of the carriers named therein have discontinued operations and others are no longer engaged in the type of operations for which the exemptions were granted.

It appears that the list should be further amended to bring it up to date by canceling the exemptions with respect to the above referred to carriers. A public hearing is not necessary.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Decision No. 52199 of November 7, 1955, as amended, in this proceeding, be and it is hereby further

amended by making the following changes in Appendix "B" attached thereto:

In all other respects said Decision No. 52199, as amended, shall remain in full force and effect.
