Decision No. 54577

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application)
of JOSEPH E. BOSSO for a certifi-)
cate of public convenience and)
necessity to operate a passenger)
stage service between Watsonville)
Airport and Santa Cruz, California.)

Application No. 30989

ORDER OF SUSPENSION

It has been called to the Commission's attention that Joseph E. Bosso, doing business as the Acme Cab Company and presently authorized to operate a passenger stage service between Watsonville Airport and Santa Cruz, discontinued service because his revenue for 1956 amounted to \$16. Because he is of the belief that a need for such service may exist in the future he has requested that he be permitted to retain his certificate.

After consideration the Commission is of the opinion that such operating authority be suspended to and including February 15, 1958.

Therefore good cause appearing,

IT IS ORDERED:

1. That the operating authority created by Decision No. 43849 dated February 20, 1950 in Application No. 30989, is suspended to and including February 15, 1958.

2. That Joseph E. Bosso shall amend the tariffs and time-
tables presently on file with this Commission in his name to reflect
the authority herein granted.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 25th
day of February, 1957.
