SUPPLEMENTAL ORDER

Decision No. 54241, issued herein on December 11, 1956, granted a new certificate to applicant covering a larger territory. It appears that there was a partial revocation of an old operating right held by applicant. Such result was not intended by the Commission. Therefore, good cause appearing,

IT IS ORDERED:

(1) That ordering paragraph (3) of Decision No. 54241, issued herein on December 11, 1956, is hereby amended to read as follows:

(3) That the operating authority now held by applicant is hereby revoked and cancelled to the extent that such presently held operating authority is duplicated by the authority granted herein. Such revocation and cancellation shall take effect simultaneously with the institution of service under the authority granted herein.

(2) That Decision No. 54241 is further amended by substituting First Revised Page 2 of Appendix A, attached hereto, to said decision in the place and stead of Original Page 2 of Appendix A thereto.

(3) That in all other respects said Decision No. 54241, as amended, shall remain in full force and effect.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 5th day of March, 1957.
