carriers relating to the transportation )  
of sand, rock, gravel and related items )

Case 5437  
(Petition No. 30)

SUPPLEMENTAL OPINION AND ORDER

Minimum rates for the transportation of asphaltic concrete and related items in dump truck equipment within and between Los Angeles and Orange counties are set forth in Minimum Rate Tariff No. 7. Zone rates are provided for movements between designated production areas and delivery zones. Mileage rates and hourly rates apply between points not covered by zone rates. The mileage and hourly rates are generally higher than the zone rates.

By Petition for Modification No. 30, as amended, in this proceeding, California Dump Truck Owners Association, Inc., seeks extension of the zone rate system to cover deliveries from a recently established production facility of Norwalk Asphaltic Concrete, Inc., to certain delivery zones in Los Angeles and Orange counties.

Petitioner represents that considerable quantities of material will be produced at this plant, much of which will be transported by for-hire dump trucks. The Commission staff has conducted a study of the transportation involved and recommends that the zone rate system be extended as proposed.

Interested parties have been notified of the filing of the petition. No objection to its being granted has been received.

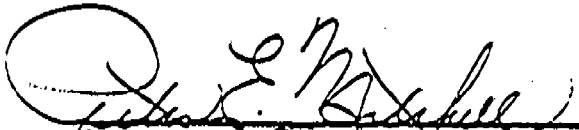

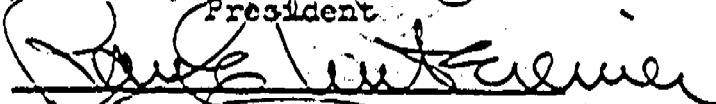

Upon consideration the Commission concludes and finds as a fact that the zone rates hereinafter provided are reasonable and suitable minimum rates for the transportation in question. The petition, as amended, will be granted. A public hearing is not necessary.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Minimum Rate Tariff No. 7 (Appendix "A" of Decision No. 32566, as amended) be and it is hereby further amended by incorporating therein, to become effective April 15, 1957, the revised pages attached hereto and listed in Appendix "A" also attached hereto, which pages and appendix by this reference are made a part hereof.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 12th day of March, 1957.
