Application No. 38729

ORDER

Southern Pacific Company is authorized to construct a drill track at grade across Power Inn Road in Sacramento County, at the location described in the application, to be identified as a portion of Crossing No. D-131.9-C. Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the road now graded, with tops of rails flush with the roadway and with grades of approach not exceeding one percent. Protection shall be by two additional Standard No. 8 crossing signals (General Order No. 75-B). Applicant shall bear entire construction and maintenance expense.

No train, engine, motor or car shall be operated over the existing spur track or the proposed drill track at Crossing No. D-131.9-C unless said train, engine, motor or car shall be first brought to a stop before entering the crossing. Suitable signs shall be erected calling attention of trainmen to the above restrictions.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall become void if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or

safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 12th day of March, 1957.
