Application No. 38759

O P I N I O N

South Lake Farms, a copartnership consisting of L. B. Hill, Grover B. Hill, Gerald B. Hill, Roland F. Hill, Joe R. Weirick and Glenn M. Hill, deceased, requests authority to abandon public warehouse operations at Angiola, California.

As justification for the authority sought it is alleged that upon the death of Glenn M. Hill the surviving partners have been engaged in the process of winding up the affairs of the partnership; that said copartners were the sole shareholders of South Lake Farms, Inc., a corporation, which operated large acreage of farm land in the vicinity of Angiola; that applicant herein conducted the warehouse in order to accommodate the corporate farming operations and with that exception there was little or no public use made of the warehouse facilities.

After consideration the Commission is of the opinion and so finds that the authority sought should be granted. A public hearing does not appear to be necessary.

O R D E R

Application having been filed and the Commission being informed in the premises,

IT IS ORDERED:

(1) That South Lake Farms, a copartnership consisting of L. B. Hill, Grover B. Hill, Gerald B. Hill, Roland F. Hill, Joe R. Weirick and Glenn M. Hill, deceased, may abandon public warehouse operations at Angiola.

(2) That applicants may cause to have canceled, on not less than five days' notice to the Commission and the public, their participation in tariffs naming rates and rules governing the operations here involved.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 19th day of March, 1957.
