

Decision No. 54726

**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

PAUL W. JOHNSON and PEARL M. JOHNSON, his wife,

Complainants,

vs.

Case No. 5652

PATTERSON CITY WATER COMPANY, a corporation,

Defendant.

ORDER DENYING REHEARING

Paul W. Johnson and Pearl M. Johnson, having filed a petition for rehearing of Decision No. 54526, dated February 11, 1957, and the Commission having considered said petition and each and every allegation therein, and being of the opinion that no good cause for granting of a rehearing has been made to appear; and it further appearing that in addition to the findings contained in Decision No. 54526, the Commission further finds that the statements, acts and conduct of the parties hereto did not at any time result in a contract whereby the Defendant undertook and obligated itself to extend its mains and supply water to Complainant's subdivision free of charge or without cost, or in any manner not contemplated by water main extension Rule 19, therefore,

IT IS ORDERED that rehearing be and the same is hereby denied.

Dated at Los Angeles, California, this 26<sup>th</sup> day of March, 1957.
