Application No. 38413

ORDER AMENDING DECISION ..  
AND DENYING REHEARING

A petition for rehearing with respect to Decision No. 54558 in this proceeding having been filed by the San Francisco Warehouse Company, and the Commission having considered said petition, and it appearing that in its application to deviate from the rates set forth in paragraph (a) of Item No. 220 series of City Carriers' Tariff No. 1-A, petitioner failed to apply in addition for exemption from the provisions of paragraph (d) of said tariff; and it appearing further that the authority to deviate from paragraph (a) as granted heretofore by the Commission is of no use to petitioner apart from and without benefit of exemption from paragraph (d); and it appearing further that the Commission may take cognizance of petitioner's request in the petition for rehearing for exemption from paragraph (d) and of the fact that sufficient evidence to justify said exemption was presented at the hearing; and it appearing further that no good cause has been shown for granting rehearing as to the Commission's order directing collection of undercharges from the Curtis Publishing Company;

IT IS ORDERED that Decision No. 54558 is hereby amended by adding the following as ordering paragraph 4 of said decision:

4. IT IS FURTHER ORDERED that the applicant is exempted from the requirements of paragraph (d) of Item No. 220 series of City Carriers' Tariff No. 1-A in the performance of those services for the Curtis Publishing Company described in paragraph 1 of the Commission's order in Decision No. 54558.

To correct a typographical error, Sheet 7 of Decision No. 54558 is amended by striking the phrase "Section 3666 of the Public Utilities Code" and substituting the phrase "Section 4015 of the Public Utilities Code."

IT IS FURTHER ORDERED that in all other respects Decision No. 54558 is affirmed and the petition for rehearing denied.

Dated at San Francisco, California, this 1st day of 1 APRIL 1957.
