In the Matter of the Application of)
J. Christenson Co., a corporation,)
to increase rates and charges.)

Application No. 37158
(Second Supplemental)

ORDER OF DISMISSAL

J. Christenson Co. is a highway common carrier specializing in the transportation of commodities which require refrigeration or temperature control in transit. By this supplemental application, filed August 31, 1956, it sought increases in its rates and charges to the same extent as might be authorized in the minimum rates in Minimum Rate Tariff No. 2 pursuant to Second Supplemental Petition No. 62 in Case No. 5432. Decision No. 54636 of March 12, 1957, in Case No. 5432, denied the sought increases in the minimum rates.

In view of the above-referred decision the supplemental application will be dismissed.

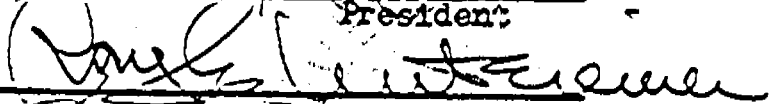

Therefore, good cause appearing,

IT IS HEREBY ORDERED that Second Supplemental Application No. 37158 be and it is hereby dismissed.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 16th day of April, 1957.
