BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of)
 FRANK'S TRUCKING, a corporation,)
 for suspension of a portion of its)
 highway common carrier authority.)

Application No. 36244
 First Supplemental

ORDER OF SUSPENSION

Applicant, Frank's Trucking, operates as a highway common carrier of general commodities in the San Francisco-East Bay Cartage Zone and of specified commodities between Oakland, on the one hand, and Pittsburg, Sacramento, Stockton and San Jose, on the other hand. Such operations were authorized by Decisions Nos. 53648, 53999 and 54203 in Application No. 36244 and commenced upon April 15, 1957, when applicant's tariff became effective.

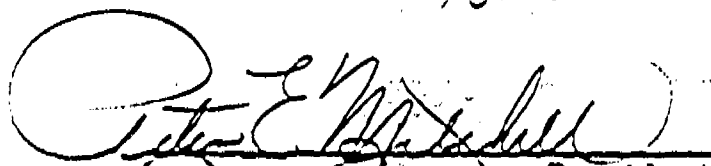

By this supplemental application applicant alleges that through mistake and inadvertence its tariff agent failed to include in its filed tariff certain rates and rules pertaining to the transportation of tin or terne plate, iron or steel sheets, and can tops or bottoms in straight shipments, which traffic constitutes approximately 70 per cent of its gross revenue. To enable applicant to complete and file its tariffs properly, to avoid possible violations and reparation claims and to retain the traffic of present shippers by being able to assess competitive rates, applicant requests an order authorizing a short suspension of its operative rights affecting the above matters. Therefore, good cause appearing,

IT IS ORDERED that the operative rights of Frank's Trucking acquired by virtue of the above-mentioned decisions are suspended until June 15, 1957, as they pertain to the following commodities: (1) iron or steel, viz: bars, plate or sheet, terne plate or tin plate; and (2) can tops or bottoms, in straight shipments.

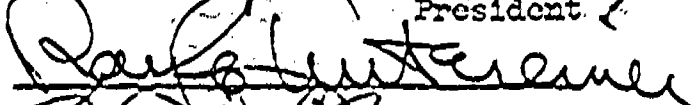

IT IS FURTHER ORDERED that after the effective date of this order, and on not less than two days' notice to the Commission and to the public, applicant shall amend its tariff in accordance with the authority granted herein.

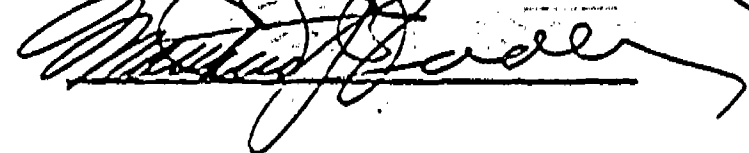

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 18th day of April, 1957.
