Application No. 38305

ORDER REVOKING OPERATIVE RIGHTS

It appearing by Decision No. 52829, dated March 27, 1956, in Application No. 37465 that Bakersfield Transit Company was granted a new certificate of public convenience and necessity superseding all its previous rights to operate as a passenger stage corporation in the City of Bakersfield and its immediate vicinity; and by Decision No. 53531, dated August 3, 1956, in Application No. 38305 that Bakersfield Transit Company was authorized to execute a lease and option to purchase, under the terms of which the operation was leased for eight months to the City of Bakersfield with an option to purchase, and, whereas it appears that the City will continue operations and Bakersfield Transit Company has advised this Commission that it will not resume operations as a passenger stage corporation and has terminated its required insurance; therefore, it is found that Bakersfield Transit Company is no longer conducting and has discontinued and abandoned its passenger stage operation; now, therefore,

IT IS ORDERED that the certificate of public convenience and necessity granted to Bakersfield Transit Company pursuant to said Decision No. 52829 is hereby revoked and all effective timetables and tariffs on file in the name of said company are hereby canceled.

The Secretary is directed to cause a certified copy of this order to be served upon the City Clerk of the City of Bakersfield and upon Bakersfield Transit Company and upon W. M. Mickelberry, its Vice President, whose address is P. O. Box 744, and upon Curtis Darling, whose address is Sill Building, Bakersfield, California.

The effective date of this order shall be the twentieth day after the completion of service of such copies hereof upon said City Clerk and upon Bakersfield Transit Company unless before such effective date either the City of Bakersfield or Bakersfield Transit Company shall have filed with this Commission a written response to this order, denying the facts set forth herein and requesting a public hearing hereof, in which event the effective date of this order shall be stayed until hearing is had and further order issued.

Dated at San Francisco, California, this 14th day of May, 1957.
