

Decision No. 55051**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Investigation on the Commission's own  
 motion into the operations, rates,  
 and practices of JUSTO SANZBERRO  
 and ALBERT YROZ, doing business as  
 SANZBERRO LIVESTOCK TRANSPORTATION CO.

Case No. 5770

ORDER AMENDING DECISION NO. 54794

Decision No. 54794 provided for suspension of respondents' permit for a period of five consecutive days "starting at 12:01 a.m. on the day following the effective date" of that decision. A petition for rehearing was filed in time to suspend such effective date pending action on the petition for rehearing. Rehearing was denied on May 21, 1957, on which date the decision became effective. Thus the permit was technically suspended as of 12:01 a.m. on May 22, 1957, and before respondents had knowledge of the denial of rehearing. Under the circumstances counsel for respondents was advised by the staff that the inadvertency would be brought to the Commission's attention with a recommendation that the order be amended to provide a new date for commencement of the suspension period, so that respondents would have advance notice of the date of commencement of such suspension period, and thus be in a position to comply therewith.

IT IS ORDERED that ordering paragraph (1) of Decision No. 54794 is hereby amended to read as follows:
