O P I N I O N

Sequoia Stages possesses authority to render service as
a passenger stage corporation between Lafayette and Orinda Village
and intermediate points (Decision No. 54298 in Application No. 38355).

Applicant requests authority to discontinue service during
the summer vacation period from June 15, 1957 to September 9, 1957,
alleging that operation of daily service during such period would
result in a substantial loss because most of the passengers are
school children or students attending St. Mary's College; and that
only one or two passengers would be affected by such suspension.

Under the circumstances here shown the Commission is of
the opinion that the application should be granted. A public
hearing is not necessary.

O R D E R

Application having been made and the Commission being of
the opinion that authority requested should be granted,

IT IS ORDERED:

(1) That Sequoia Stages is authorized to suspend service
until September 9, 1957.
