Application No. 37529

SUPPLEMENTAL ORDER AMENDING
DECISION NO. 54280

Applicant requests a 3-year extension of time, because of lack of funds, to comply with special conditions in Schedule 2LX annexed to Decision No. 54280, issued December 18, 1956, providing for termination of flat rate service by June 30, 1957, upon installation of meters, estimated to cost \$2,000.

We are of the opinion that the 3-year extension requested by applicant is unduly long, but that a 1-year extension would be reasonable, subject to renewal for a like period, or periods, at applicant's request, should circumstances warrant.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that paragraph 2 of special conditions in Schedule 2LX , annexed to Decision No. 54280 herein, be and it hereby is amended to read as follows:

- "2. This schedule will be effective only to and including June 30, 1958, and will be withdrawn on July 1, 1958."

Applicant is directed to file in quadruplicate with this Commission after the effective date of this order and in conformity with General Order No. 96 its Schedule No. 2IX revised as indicated hereinabove and, upon not less than one day's notice to the Commission and to the public, to make said schedule effective for service rendered on and after July 1, 1957.

The effective date of this order shall be the date hereof.

Dated at Los Angeles, California, this 25th day of June, 1957.
