 motion into the operations, rates, and
 practices of JOHN MOROSA, JOSEPE MOROSA,
 and MARIANA MOROSA, doing business as
 MOROSA BROTHERS TRANSPORTATION.

Case No. 5902

SECOND SUPPLEMENTAL OPINION AND ORDER

Decision No. 55088 of June 4, 1957, as amended, in this proceeding suspends respondents' operating authority, except their operating authority for the transportation of cement from Monolith to Bakersfield, for a five-day period, to be determined from the time when personal service of Decision No. 55088 is made on respondents John Morosa, Joseph Morosa and Mariana Morosa. John Morosa, who represented respondents at the hearing preceding the issuance of Decision No. 55088, has been served with the decision; so has his brother Joseph Morosa. His sister Mariana Morosa, who is not active in the management of the business, has not been served. John Morosa, on behalf of all of the respondents, has requested that the effectiveness of Decision No. 55088 be changed so as to allow the suspension of operations ordered by the Commission to commence on July 1, 1957. He states that in the belief that Decision No. 55088 ordered and directed the suspension to commence on that date, he has made all the necessary arrangements and that if the suspension is deferred to a later date, respondents will be put to a substantial additional expense.

Therefore, good cause appearing,

IT IS ORDERED that ordering paragraph (9) of Decision No.

55088, as amended, be and it is hereby amended to remove the direction to the Secretary to cause personal service of said Decision No. 55088, as amended, on Mariana Morosa and so as to change the effective date of said Decision No. 55088, as amended, to the date hereof.

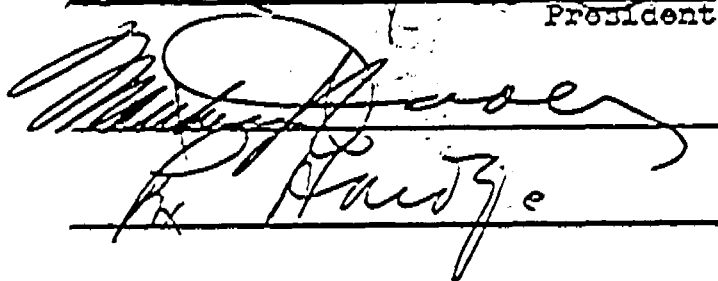

IT IS FURTHER ORDERED that in all other respects said Decision No. 55088, as amended, shall remain in full force and effect.

This decision shall be effective on the date hereof.

Dated at San Francisco, California, this 28th day of June, 1957.
