tion of AIRPORT SERVICE,

Application No. 38921
(Petition for Modification)

ORDER ON PETITION FOR MODIFICATION

In this application, as originally filed, J. R. Britton requested authorization to transfer to Airport Service, Incorporated, the operative rights granted by Decision No. 52355, dated December 12, 1955, as amended by Decision No. 54492, dated February 5, 1957. In Appendix A to Exhibit B applicant Britton set forth what purported to be a description of such rights. By Decision No. 54967, dated May 14, 1957, the Commission authorized the transfer.

In a petition filed on June 24, 1957, applicants report that said Appendix A was incorrectly stated and they request authorization to modify their application by filing an amendment to said Exhibit B.

We have no objection to this request and applicants hereby are authorized to amend their application by making Exhibit B attached to the petition for modification a part of the original application.
