public convenience and necessity	)	
authorizing a rerouting of present	)	
routes for transportation of	)	
passengers.	)	

O P I N I O N

This application filed June 5, 1957, requests a modification of routes to conform with the one-way street ordinance of the City of Stockton. The request is for modification of Decision No. 45838, dated June 19, 1951, in Application No. 32259, as modified. The certificate issued by this decision was revoked and rescinded and a new certificate was issued to this applicant by Decision No. 52734, dated March 6, 1956, in Application No. 37550. The requested relief will be granted by amending the route description in Appendix A attached to and made a part of said Decision No. 52734. A public hearing is unnecessary. In order to expedite compliance with future changes in local one-way street requirements, applicant will also be authorized to comply therewith temporarily as provided in the following order.

O R D E R

An application therefor having been filed and duly considered by the Commission and it finding that public convenience and necessity so require,

IT IS ORDERED:

- (1) That Decision No. 52734, dated March 6, 1956, in Application No. 37550 is amended by changing Appendix A thereto attached so that it reads and provides as indicated in Appendix A attached hereto and

made a part of this decision.

(2) That said Decision No. 52734 is further amended by adding thereto a new ordering paragraph to be numbered (4) as follows:

- (4) That applicant is authorized to temporarily alter any of its routes so as to comply with any applicable one-way street requirement as provided in any city or county ordinance hereafter adopted provided applicant shall file an application with the Commission within thirty days after such temporary route change requesting that such change become permanent.

The effective date of this decision shall be the date hereof.

Dated at Los Angeles, California, this 30<sup>th</sup> day of July, 1957.
