from its Long Beach Line.	)

Application No. 39222

O R D E R

Pacific Electric Railway Company is authorized to construct an additional spur track at grade across Santa Fe Avenue, in Los Angeles County, at the location described in the application, to be identified as a portion of Crossing No. 6L-13.60-C. Applicant shall bear entire construction and maintenance expense. Construction shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding one percent. Protection shall be by the two existing Standard No. 8 flashing light signals. (General Order No. 75-B)

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity or safety so require.

It is alleged that the industry to be served by this spur is in need of immediate service. The effective date of this order shall therefore be the date hereof.

Dated at San Francisco, California, this 10th day of September 1957.
