## OPINION AND ORDER

Applicants seek authority to enlarge their pickup and delivery zone at Chula Vista and to apply the Chula Vista rates to the enlarged territory.

The application shows that the area proposed to be added to the present zone is contiguous to and a part of the community and that the area is situated within three miles of the corporate limits. It shows also that the applicants have been requested to provide the additional pickup and delivery service involved. Under the proposed arrangements, all similarly situated areas contiguous to Chula Vista where there is a demand for applicants' pickup and delivery service would be afforded service at the Chula Vista rates. Because of the relatively short distances involved, the resulting deviations from the established minimum rates would be slight.

Competing carriers have been notified of the filing of the application. No objection has been received.

It appears that this is a matter in which a public hearing is not necessary and that the granting of the sought authority is justified.

Therefore, good cause appearing,

IT IS HEREBY ORDERED that applicants be and they are hereby authorized to enlarge their pickup and delivery zone at Chula Vista as requested and to establish for the transportation involved, not earlier than five days after the effective date of this order and on not less than five days' notice to the Commission and the public, rates no lower than those prescribed for like transportation to and from Chula Vista.

IT IS HEREBY FURTHER ORDERED that the authority herein granted shall expire unless exercised within sixty days after the effective date of this order.

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 12<sup>th</sup> day of October, 1957.
