a spur track at grade across Tenth)
Street in the City of San Jose,)
County of Santa Clara, State of)
California.)

Application No. 39413

O R D E R

The Western Pacific Railroad Company is authorized to construct an additional spur track at grade across South Tenth Street in the City of San Jose, Santa Clara County, at the location described in the application, to be identified as a portion of Crossing No. 4G-20.11-C. Construction of said crossing shall be equal or superior to Standard No. 2 of General Order No. 72, without superelevation and of a width to conform to the portion of the street now graded, with tops of rails flush with the roadway and with grades of approach not exceeding three percent. Protection shall be by two Standard No. 1 crossing signs (General Order No. 75-B) reflectorized with reflex-reflective sheet material. Applicant shall bear entire construction and maintenance expense.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

Applicant alleges that the industry to be served desires rail service at the earliest possible date and requests immediate authorization. Therefore, the effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 9th day of October, 1957.
