SUPPLEMENTAL ORDER SETTING ASIDE SUSPENSION
AND RESTORING PERMIT

Decision No. 55028, dated May 21, 1957, in this proceeding ordered Radial Highway Common Carrier Permit No. 19-12712, issued to Doras Noordman, suspended for a period of ten days. It was further ordered that the suspension remain in effect beyond said ten-day period until such time as this Commission set aside the suspension and restored the permit. Restoration of said permit was to be predicated upon a satisfactory showing in writing to this Commission by respondent that he has "(a) collected, or has taken appropriate action or measures to collect, all undercharges as hereinabove set forth."

Respondent has submitted to this Commission satisfactory evidence in writing that he has complied with such provision of Decision No. 55028.

It appears that this is a matter in which a public hearing is not necessary and that the suspension should be set aside and the permit restored.
