BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Robert B. White,)

HORSE TRANSPORTATION, to operate)
a highway common carrier service)

Application No. 36493

O P I N I O N

Robert B. White, doing business as Bob White's Horse Transportation, is a highway carrier engaged in the transportation of property in California pursuant to permits issued him by this Commission.

Robert B. White seeks an order authorizing him to conduct service as a highway common carrier for the transportation of live-stock and horses other than ordinary equipment and certain related products between all points in California.

This application was filed pursuant to Decision No. 50448, in Case No. 5478, dated August 17, 1954. In that decision, the Commission enunciated a policy under which it may consider operation as a highway permit carrier up to and including September 10, 1953, as evidence of public convenience and necessity, if it appears that such operation may be found to constitute common carriage under the terms of the Nolan decision (Nolan v. Public Utilities Commission, 41 C (2d) 392). The allegations of the application and the representations filed in this matter indicate, however, and the Commission finds, that as of September 10, 1953 applicant was conducting his operations within the scope of the permits heretofore issued by this Commission. Such operations not having constituted highway common carriage, the sought certificate of public convenience and necessity is not a requisite for continuance of applicant's

operations as conducted on the said date, and the application will be denied.

The applicant is hereby placed on notice that the Commission, by this decision, makes no finding and expresses no opinion as to whether applicant has or has not been conducting his operations within the scope of his permitted authority since September 10, 1953, and that the provisions of Section 1063 of the Public Utilities Code will be strictly enforced.

O R D E R

The Commission having considered the application and representations filed herein, now therefore

IT IS ORDERED:

That application No. 36493 is denied.

The effective date of this order shall be ninety days after the date hereof.

Dated at San Francisco, California, this 12th day of November, 1957.
