ORDER

City of Walnut Creek is authorized to alter Mt. Diablo Boulevard at grade across a track of Sacramento Northern Railway in the City of Walnut Creek, Contra Costa County, at the location described in the application identified as Crossing No. 8-27.1. Applicant shall bear entire construction expense, also maintenance cost outside of lines two feet outside of rails. Sacramento Northern Railway shall bear maintenance cost between such lines. Width of crossing shall be not less than twenty-four feet and grades of approach not greater than three percent. Construction shall be equal or superior to Standard No. 2 of General Order No. 72. Protection shall be by highway traffic signals and shall operate as set forth in paragraph numbered VI of the application. A copy of the plan indicating the location of such highway traffic signals approved by the railroad and the State Department of Public Works, Division of Highways, shall be filed with the Commission within sixty days from the date hereof. Upon installation of the highway traffic signals the existing wigwags shall be removed by the railroad.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within one year unless time be extended or if above conditions are not complied with. Authorization

may be revoked or modified if public convenience, necessity, or safety so require. Applicant has advised that highway construction work is being delayed and has requested authorization as soon as possible. Therefore, the effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 19th day of November, 1957.
