Application No. 39182

O R D E R

The City of Los Angeles is authorized to construct a new grade-separation structure to carry Charlotte Street over the railroad tracks of Pacific Electric Railway Company (Crossing No. 6T-3.35-AC) and to remove the existing structure, in the manner described in Exhibit "A" attached to the application.

Construction and maintenance expenses shall be borne in accordance with terms of an agreement between the parties, and a copy of said executed agreement shall be filed with the Commission prior to commencing construction. Should the parties fail to agree, the Commission will apportion the cost of construction and maintenance by further order.

During the period of construction, applicant is authorized to create temporary overhead clearances of 20 feet above top of rail, and Pacific Electric Railway Company is authorized to operate with such clearances, provided that it issues appropriate bulletins

to train service employees, advising them of the temporary impaired-clearance conditions and forbidding them to ride on the tops and sides of cars while operating beneath the structure.

Within thirty days after completion pursuant to this order, applicant shall so advise the Commission in writing. This authorization shall expire if not exercised within two years, unless time be extended, or if above conditions are not complied with. Authorization may be revoked or modified if public convenience, necessity, or safety so require.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 3rd day of December, 1957.
