O P I N I O N

The Dutch Company is engaged in the transportation of property in California pursuant to permits issued by this Commission.

Applicant seeks an order authorizing it to conduct service as a highway common carrier for the transportation of canned goods, cotton lintors and notes generally between the points in northern, central and southern California.

A public hearing was held on November 6, 1957, at San Francisco before Examiner Carl Silverhart.

This application was filed pursuant to Decision No. 50448, in Case No. 5478, dated August 17, 1954. In that decision, the Commission enunciated a policy under which it may consider operation as a highway permit carrier up to and including September 10, 1953, as evidence of public convenience and necessity, if it appears that such operation may be found to constitute common carriage under the terms of the Nolan decision (Nolan v. Public Utilities Commission, 41 C (2d) 392). The allegations of the application, the representations filed in this matter, the evidence adduced at the hearing

indicate, however, and the Commission finds, that as of September 10, 1953, applicants were conducting their operations within the scope of the permits heretofore issued by this Commission. Such operations not having constituted highway common carriage, the sought certificate of public convenience and necessity is not a requisite for continuance of applicant's operations as conducted on the said date; and the application will be denied.

The applicant is hereby placed on notice that the Commission, by this decision, makes no finding and expresses no opinion as to whether applicant has or has not been conducting its operations within the scope of its permitted authority since September 10, 1953; and that the provisions of Section 1063 of the Public Utilities Code will be strictly enforced.

O R D E R

A public hearing having been held and based upon evidence adduced therein and the application and representations filed herein,

IT IS ORDERED that Application No. 36511 is denied.

The effective date of this order shall be ninety days after the date hereof.

Dated at San Francisco, California, this 3rd day of December, 1957.
