Decision No. 56011

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
PACIFIC MILL & ELEVATOR CO., a  
corporation, for authorization to  
lease, and of LAWRENCE WAREHOUSE  
COMPANY, a corporation, to acquire  
by lease, public utility warehouse  
properties.

Application No. 39495  
(First Supplemental)

FIRST SUPPLEMENTAL ORDER

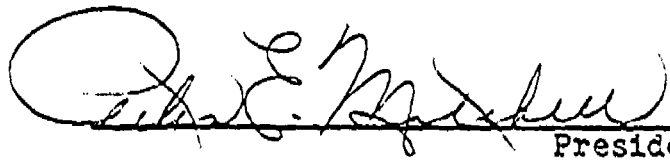

Under authorization granted by Decision No. 55775, dated November 5, 1957, Pacific Mill & Elevator Co. leased its public utility warehouse operating properties to Lawrence Warehouse Company pursuant to the terms of a lease agreement dated October 1, 1957, for a period of two years, subject to extension under certain circumstances.

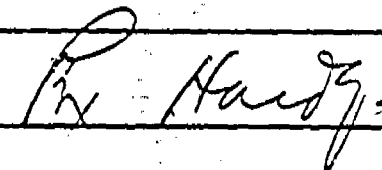

In a supplemental application filed on December 12, 1957, applicants now ask the Commission to authorize them to execute an amendment to the lease agreement which will change the period to five years, subject to extension under the same circumstances. The Commission has considered this request and is of the opinion that a public hearing is not necessary and that it should be granted; therefore,

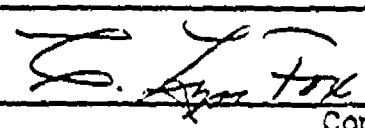

IT IS HEREBY ORDERED that Pacific Mill & Elevator Co. and Lawrence Warehouse Company may execute and enter into an amendment to lease agreement in, or substantially in, the same form as that filed with the first supplemental application in the above-entitled matter.

This first supplemental order will become effective on the date hereof.

Dated at San Francisco, California, this 19<sup>th</sup> day of December, 1957.
