Decision No. 56063

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of LAMB TRANSPORTATION COMPANY (formerly Lora Lamb, C. Jerry Lamb, Jr., Albert F. Cruse, and Colin J. Boone, a partnership doing business as Lamb Transportation Co.), for a certificate of public convenience and necessity to operate as a highway common carrier.

Application No. 36158

Application of CONSOLIDATED FREIGHTWAYS, INC. to acquire the Highway Common Carrier and Petroleum Irregular Route operating rights of LAMB TRANSPORTATION COMPANY

Application No. 39562

SUPPLEMENTAL ORDER

By Decision No. 55851, dated November 19, 1957, the Commission authorized Lamb Transportation Company, a corporation, to transfer operative rights to Consolidated Freightways, Inc., under terms of a merger agreement. The California intrastate rights were set forth in the application and in the decision as being those granted by Decision No. 50896, dated December 28, 1954, and by Decision No. 53566, dated August 7, 1956, as amended by Decision No. 54114, dated November 19, 1956.

Further review of this matter discloses that Lamb Transportation Company did not file a written acceptance of the certificate granted by Decision No. 53566, as amended, and did not file any tariffs covering operations under the certificate. Inasmuch as Consolidated Freightways, Inc., has filed an adoption notice adopting all effective tariffs of Lamb Transportation Company, it appears desirable to clarify the situation with respect to the operative rights; therefore,

IT IS HEREBY ORDERED:

1. That the certificate of public convenience and necessity granted to Lamb Transportation Company, a corporation, by Decision No. 53566, dated August 7, 1956, as amended by Decision No. 54114, dated November 19, 1956, in Application No. 36158, is revoked.
2. That Decision No. 55851, dated November 19, 1957, in Application No. 39562, hereby is amended to permit Lamb Transportation Company to transfer and convey to Consolidated Freightways, Inc., only the certificates of public convenience and necessity acquired by Lamb Transportation Company under authorization granted by Decision No. 50896, dated December 28, 1954, in Application No. 36565.
3. That the effective date of this order shall be twenty days after the date hereof.

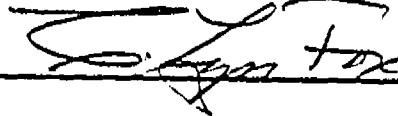

Dated at San Francisco, California, this 14th day of January, 1958.
