O P I N I O N

Applicant, on August 30, 1957, filed his application for Household Goods Carrier Permit authorizing him to transport used household goods for hire within a radius of fifty miles from the City and County of San Francisco. A prior permit authorizing such service was revoked on May 28, 1957.

In view of information given applicant at this hearing, and of his assurances, the Commission is of the opinion and finds that applicant will in the future comply with applicable tariffs and Commission rules and regulations. Applicant also was informed that if he wishes to carry other freight he must first have acquired from this Commission appropriate permits.
