OBINION

change in the operation of the Route "10" - Downtown Special line by rerouting one trip per day to provide a moontime service to the El Cortez Hotel, situated on a hill at Ash Street, between 7th and 8th Streets, seven blocks north of Broadway in downtown San Diego. The purpose of the service is to provide transportation for people in the downtown area who desire to patronize said hotel at lunch time. The fare on this line is ten cents. Additional schedules will be provided in the event that a demand develops for the service.

The matter is not controversial and this plan has the support of the city and civic groups.

Having considered the matter, the Commission is of the opinion and finds that public convenience and necessity require the establishment and operation of the proposed extension. The application will be granted. A public hearing is not deemed necessary.
