BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the application)	
of SOUTHERN CALIFORNIA FREIGHT)

FREIGHT FORWARDERS for authority)	Application No. 31809
to publish less than minimum)	(Seventh Supplemental)
rates under provisions of Section)	
452 of the Public Utilities Code.)	

SEVENTH SUPPLEMENTAL OPINION AND ORDER

Prior orders in this proceeding authorized the applicants to publish certain reduced rates for the transportation of canned foodstuffs from Hemet to destinations within Los Angeles Basin Territory for a period ending on March 10, 1958. Permission is now sought to continue to publish rates lower than those contained in Minimum Rate Tariff No. 2, but somewhat higher than those now contained in applicants' tariff.

The supplemental application shows that, except for increased costs, the conditions which justified the publication of the reduced rates still obtain. Applicants show that recent increases in operating expense are reflected in the proposed rates.

In the circumstances, it appears, and the Commission finds, that the proposed rates are reasonable and justified by transportation conditions. This is a matter in which a public hearing is not necessary. The supplemental application will be granted. Inasmuch as the published rates would expire March 10, 1958, the order will be made effective immediately and the applicants will be authorized to amend their tariffs on two days' notice. Because the conditions under which the transportation is performed may change at any time, the authority will be limited to a one-year period.

Therefore, good cause appearing,

IT IS ORDERED that Southern California Freight Lines and Southern California Freight Forwarders be and they are hereby authorized, on not less than two days' notice to the Commission and to the public, to publish in their tariff, to expire March 10, 1959, rates as set forth in Appendix "A" attached hereto and by this reference made a part hereof.

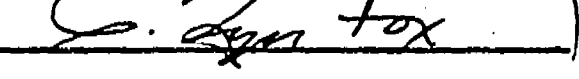

This order shall become effective on the date hereof.

Dated at Los Angeles, California, this 3rd day of March, 1958.

President

Commissioners
