

**ORIGINAL**

Decision No. 56312

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application

of

CALIFORNIA WATER & TELEPHONE COMPANY

to issue and sell bonds.

Application No. 39758

FIRST SUPPLEMENTAL ORDER

By Decision No. 56268, dated February 25, 1958, the Commission authorized California Water & Telephone Company to execute a supplemental indenture and to issue and sell \$6,000,000 of bonds. The decision recites:

" . . . that the bonds may not be redeemed prior to November 1, 1962, directly or indirectly, from, or in anticipation of, any borrowings by the company or the proceeds of the sale of any security."

The company now reports that in order to comply with the requirements of the bond purchasers, it is necessary to amend the terms so as to make the provisions against redemption relate to May 1, 1963, instead of November 1, 1962, and it asks the Commission to amend its decision accordingly.

The Commission has considered this matter and is of the opinion that the company's request should be granted, therefore,

IT IS HEREBY ORDERED that Decision No. 56268, dated February 25, 1958, hereby is amended by deleting the date "November 1, 1962" from the fifth line of the third paragraph on page 1 of said decision and substituting the date "May 1, 1963" therefor.

This first supplemental order is effective on the date hereof.

Dated at Los Angeles, California this 3<sup>rd</sup> day of March, 1958.
