OPINION AND ORDER

Pacific Gas and Electric Company,<sup>1/</sup> a corporation, by application filed October 8, 1957, and amended December 5, 1957, seeks authority from this Commission to carry out the terms and conditions of an agreement dated August 7, 1957 with the City of Roseville<sup>2/</sup> providing for the sale to Roseville of untreated water to be used for resale to the latter's customers.

Under the terms of the agreement between the parties, a copy of which is attached to the application as Exhibit A, Pacific proposes to deliver water at the rate of flow specified in the agreement. Payment for such water is to be based on rates and charges which correspond to those included in Pacific's Placer Water System, Schedule No. R-1, "Resale Service - Untreated Water." However, this schedule is not entirely applicable for the reason that Pacific has no contract form on file as indicated by the special condition of the schedule. Accordingly, authorization for Pacific

<sup>2/</sup> Sometimes herein called Roseville.

to carry out the terms and conditions of the subject contract is requested under Section X-A of General Order No. 96.

The initial term of the agreement is for seven years from and after May 1, 1957 and may be extended for successive seven-year terms. Either Pacific or Roseville may terminate the agreement at the expiration of any seven-year term by giving the other party written notice at least 36 months prior to such termination date.

The revenue which Pacific realized from the sale of water to Roseville at rates corresponding to Schedule R-1 amounted to approximately \$34,000 for the twelve-month period ending July 31, 1957.

A prior agreement which expired November 5, 1956, providing for the sale and delivery of water to Roseville, was authorized by the Commission in its Decision No. 17845 dated October 16, 1926 in Application No. 13026.

The Commission having considered the request of applicant and being of the opinion that the application should be granted and that a public hearing is not necessary; therefore,

IT IS HEREBY ORDERED that Pacific Gas and Electric Company is authorized to carry out the terms and conditions of the written agreement dated August 7, 1957 with the City of Roseville, as set forth in Exhibit A attached to the application, which exhibit is made a part of this order by reference.

IT IS HEREBY FURTHER ORDERED that:

1. Pacific Gas and Electric Company shall file with this Commission, within thirty days after the effective date of this order, two certified copies of the agreement

as executed, together with a statement of the date on which the agreement is deemed to have become effective. ✓

- 2. Pacific Gas and Electric Company shall notify this Commission of the date of the termination of said agreement within thirty days after said date of termination.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 17<sup>th</sup> day of March, 1958
